

NOTEBOOM IMPLEMENT FREE ROUND BALER CLINIC

February 16, 2010

Time: 10:30am

Place: **Noteboom Implement - Corsica**

Who: Anyone who owns a John Deere
Round Baler or competitive brand.

Larry Rose of Ambraco and formerly a baler warranty specialist with John Deere has worked for years with balers coast to coast and in all conditions. Based on his years of experience he will show you hands on with a John Deere 568 Baler what you can do to adjust your own baler and answer any questions you may have.

Larry is well experienced in trouble shooting net wrap and will demonstrate how the John Deere Cover Edge Wrap is the leader in net wrap.

Cover Edge Net Wrap is now available.

Cover Edge Net Wrap offers increased bale coverage for better storage life and transportation of your bales.
